⚠ WARNING: PHOTOSENSITIVITY/EPILEPSY/SEIZURES

A very small percentage of individuals may experience epileptic seizures or blackouts when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or when playing video games may trigger epileptic seizures or blackouts in these individuals. These conditions may trigger previously undetected epileptic symptoms or seizures in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition or has had seizures of any kind, consult your physician before playing. IMMEDIATELY DISCONTINUE use and consult your physician before resuming gameplay if you or your child experience any of the following health problems or symptoms:

- dizziness
- altered vision
- eye or muscle twitches
- loss of awareness
- disorientation
- seizures
- any involuntary movement or convulsion.

RESUME GAMEPLAY ONLY ON APPROVAL OF YOUR PHYSICIAN.

Use and handling of video games to reduce the likelihood of a seizure

- Use in a well-lit area and keep as far away as possible from the television screen.
- Avoid large screen televisions. Use the smallest television screen available.
- Avoid prolonged use of the PlayStation®3 system. Take a 15-minute break during each hour of play.
- Avoid playing when you are tired or need sleep.

Stop using the system immediately if you experience any of the following symptoms: lightheadedness, nausea, or a sensation similar to motion sickness; discomfort or pain in the eyes, ears, hands, arms, or any other part of the body. If the condition persists, consult a doctor.

NOTICE:
Use caution when using the DUALSHOCK®3 wireless controller motion sensor function. When using the DUALSHOCK®3 wireless controller motion sensor function, be cautious of the following points. If the controller hits a person or object, this may cause accidental injury or damage. Before using, check that there is plenty of space around you. When using the controller, grip it firmly to make sure it cannot slip out of your hand. If using a controller that is connected to the PS3™ system with a USB cable, make sure there is enough space for the cable so that the cable will not hit a person or object. Also, take care to avoid pulling the cable out of the PS3™ system while using the controller.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:
Do not connect your PS3™ system to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

HANDLING YOUR PS3™ FORMAT DISC:
• Do not bend it, crush it or submerge it in liquids. • Do not leave it in direct sunlight or near a radiator or other source of heat. • Be sure to take an occasional rest break during extended play. • Keep this disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

GETTING STARTED

PlayStation®3 system

Starting a game: Before use, carefully read the instructions supplied with the PS3™ computer entertainment system. The documentation contains information on setting up and using your system as well as important safety information.

Check that the MAIN POWER switch (located on the system rear) is turned on. Insert the *Disney/Pixar Toy Story 3* disc with the label facing up into the disc slot. Select the icon for the software title under [Game] in the PS3™ system's home menu, and then press the ⊗ button. Refer to this manual for information on using the software.

Quitting a game: During gameplay, press and hold down the PS button on the wireless controller for at least 2 seconds. Then select "Quit Game" from the screen that is displayed.

Hint To remove a disc, touch the eject button after quitting the game.

Saved data for PS3™ format software

Saved data for PS3™ format software is saved on the system's hard disk. The data is displayed under "Saved Game Utility" in the Game menu.

INTRODUCTION

ACT NOW!

In *Disney/Pixar Toy Story 3*: The Video Game help Buzz, Woody and the rest of the Toys ensure no toy gets left behind. Dive into to all new heroic adventures in Story Mode or let your imagination run wild in the exciting new open world of Toy Box Mode!

STORY MODE

No toy gets left behind as you run, ride and fly through scenes from Toy Story 3 the movie!

Play as one of your three favorite Toy Story characters. Each one has different and unique abilities. You can swap control between the characters at any time. You can also perform cooperative moves that give you enhanced actions, such as boosts or launches.

Woody – Use your lasso drawstring to reach places the others can't.

Buzz – Stronger than the others, you come with a fancy jetpack and laser beam.

Jessie – Jump with super balancing power to get to the toughest spots.

TOY BOX MODE

BATTERIES NOT INCLUDED!

How do you play? Unleash your imagination in this open world! Choose whatever activity you wish to do in any order you wish to do them in.

MISSIONS

You'll find several kinds of missions throughout the world. Once a mission is complete, you'll earn various rewards including gold, and new customizations.

NEW TOYS!

Add unique personality to your world. As you complete missions, you can buy other new toys! These toys introduce new ways to have fun by adding different ways to play.

CUSTOMIZATION

There are many different ways to customize the way you play in Toy Box Mode:

- **Buildings** – You can add tons of new buildings into your world. Once you've added a building, you can also change how it looks by adding a new paint job, growing flowers, adding brick or tons of other new and fun modifications.
- **Townspeople** – You can also change the look of the townspeople! Throw all of them into various buildings in order to change their hairstyles and outfits!
